

Preserving the Past to Enlighten Our Future
Protecting ~ Educating ~ Sharing

SPONSOR A STAIR

The Lighthouse and Museum operates without the assistance of federal or state government funding. The operation, restoration and preservation of this historic site are funded by the cost of admissions, sales and donations made by our guests.

One unique way to help keep the light shining is to sponsor a stair. Step into history by sponsoring one of the 177 stairs in the Pensacola Lighthouse. For a \$1,000 donation, a personalized plaque will be placed on the stair of your choice. Stair sponsorship includes an annual family pass for general admission to the lighthouse and museum, and 20% off merchandise in our gift shop.

Plaques can have 4 lines with 24 characters each, including any periods, spaces or other punctuation. A corporate logo or clip art may be used, but some character space will be lost.

Also, as a sponsor, you will become a member of the 177 Society and receive 2 name tags to be worn at Lighthouse functions. Please let us know what names you would like engraved on the name tags as well.
